ABOUT ME:

I'm a 2D animator, motion designer, and visual development artist based in London. I bring ideas to life through a mix of soulful storytelling, engaging motion graphics, and immersive environmental concept art.

EXPERIENCE:

ANIMATOR AND DESIGNER

BBC, (Sept 2024 - Dec 2024)

- Animating the Title sequence for BBC's Christmas lectures.

MOTION AND GRAPHIC DESIGN

- Designed promotional catalogues for print/publications.
(2025-2026, University of westminster)
- Created social media graphics and promotional content for clients.
(2025, Smilepod Dental Practice)
- Designed custom wedding invitations, seating plans, menus, and other printed materials tailored to clients' themes and preferences.
(2026, Freelance)

STOPMOTION PROP MODELLING

Blinkink, (June, 2024)

- Assited in building a set for the opening intro of the Edinburgh Film Festival 2024.
